ADA Compliance

Tri City Glass & Door specializes in bathroom accessories, partitions and doors that are compliant with ADA requirements. For new construction or existing buildings, we can find the product that meets your needs.

To keep you in business, we offer after-hours services.

What if your door breaks? When there's weather damage, who do you call? We are one of the only commercial vendors in Northeast Wisconsin offering 24/7/365 emergency board-up services to quickly and expertly secure your business and property. Call **800-449-8081** for service.

The Right Product. The Right Way.

Tri City Glass & Door represents a wide range of partitions and accessory product lines that are durable, maintenance free and meet the specific needs of your construction project.

- ▲ Stainless steel, powder-coated steel, high-density polymer and other materials provide flexibility, durability and maintenance-free solutions for rest rooms, locker rooms and dressing areas.
- ▲ Our most requested partitions feature overhead bars, but we also carry other partition options.
- ▲ Special needs products include urinal screens, shower cabinets and partitions and a full range of bathroom accessories.
- ▲ We feature rest room partitions for commercial buildings, schools, healthcare facilities, manufacturing environments, retail facilities, professional services offices, restaurants and many other high traffic areas.

Installing Confidence.

Businesses keep their doors open when you trust your service needs to Tri City Glass & Door.

- ▲ **Reliability:** From standard commercial construction to customized interiors, our estimators and project managers will deliver the products to keep your project on time and budget, every time.
- ▲ **Service:** Preventive maintenance allows us to stay on top of small repairs so they don't turn into large ones. We have a variety of installation and service contracts to repair existing partitions and accessories.

Installing Quality.

Tri City goes beyond the products to manage all phases of restroom partition installation and accessory coordination.

- ▲ **Training:** Our team members participate in ongoing training and we employ some of the only service crews that are specially trained in installation and repair of restroom accessories.
- ▲ **Value:** Your value is in our expertise. Almost 50 years in business means our techs have specific experience in a variety of commercial applications. When your project is installed right the first time, it means you're in business faster and continue to serve your customers.

"Tri City Glass & Door was different from other providers because they gave me a variety of options on materials and knew from their experience what would work best."
