Confidential Keying Services

Tri City Glass & Door offers keying services for commercial buildings. We can make new keys for your business' doors, replace existing keys for exterior and interior doors, even provide master keys for your business. Services include keyless entry systems and electromagnetic locks.

ADA Compliance

Tri City Glass & Door specializes in door hardware that is compliant with ADA requirements. For new construction or existing buildings, we can find, install and service the product that meets your needs.

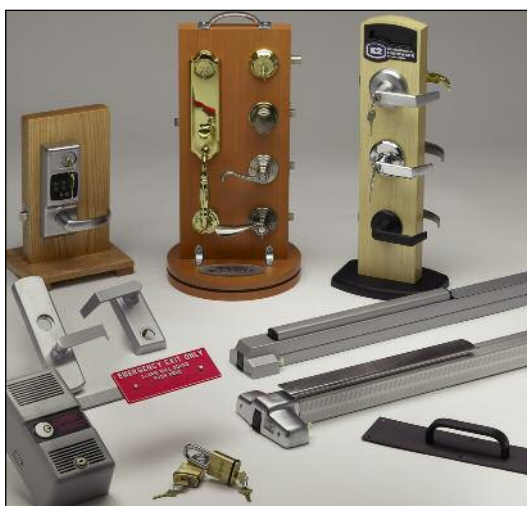

To keep you in business, we offer after-hours services.

What if your door breaks? When there's weather damage, who do you call? We are one of the only commercial vendors in Northeast Wisconsin offering 24/7/365 emergency board-up services to quickly and expertly secure your business and property. Call **800-449-8081** for service.

The Right Product. The Right Way.

Tri City Glass & Door brings you thousands of accessory and lock options from the top manufacturers in the nation. Our products are as diverse as your business needs.

- ▲ Security lock systems with a variety of options including dead bolts, interconnected security locks, heavy duty commercial mortise locks and more. Made with high-strength materials and corrosion resistant for long-term durability.
- ▲ A variety of accessories including standard and decorative hinges, door knobs and pulls, face plates and more in a range of finishes and materials to give your business a distinctive look.
- ▲ Hardware for hard-to-find applications including pocket doors, doorbells, and accessories with distinctive flair from glass door knobs to designer accessories.
- ▲ Custom and replacement keys for commercial and residential doors. From high-tech security applications to standard door locks, our crews have the range of knowledge to install and service state-of-the-art systems.

Installing Confidence.

Tri City provides the highest level of services to install and maintain your lock systems.

- ▲ **Reliability:** Whether you're using standard commercial hardware or looking for customized products, our estimators and project managers will deliver the products to keep your project on time and budget every time.
- ▲ **Training:** Our team members participate in ongoing training and we employ some of the only service crews that are specially trained in lock repair and installation.
- ▲ **Value:** Your value is in our expertise. Almost 50 years in business means our techs have specific experience in a variety of commercial applications. When your door is installed right the first time, it means you're in business faster and continue to serve your customers.

"I recommend Tri City Glass & Door because I trust the products and service I get from them. Getting the right product on time is critical in the construction industry and Tri City does a great job of providing that service."
